Rising Stars/Destination Imagination

2020-2021 Permission Form

Rising Stars® is a non-competitive, team-building activity for students in Pre-K through grade 2 that fosters creative thinking and problem solving by having teams of students generate solutions to open-ended prompts. To participate fully, students should expect to participate in regular meetings with the rest of the team, in preparation for completion of their Rising Stars Challenge (Monster Manners). **The team may elect to participate** in an optional tournament Saturday, March 19th, 2022, at Monadnock Regional Middle High School, where they can present their original skit to appraisers and participate in an Instant Challenge activity. Team meetings will generally occur every other week after school. Dates will be determined by team managers. More information can be found at <https://nh-di.org/> or <https://www.destinationimagination.org>.

I grant permission for my student to participate in the St. Joseph Regional School Rising Stars Team, during the 2021-2022 school year.

Registration Fee: \$75 per child
