

Saint Joseph Regional School Our Lady of Mercy Academy February 10, 2022

Empowering students to grow as informed, inspired, compassionate souls.

Dear SJRS Families,

By now everyone should have received my **re-enrollment** email that went out on Tuesday. If for some reason you have not, please let me know. Things have gotten quite busy suddenly as new families have begun to turn their attention to the 2022-2023 school year. We have received numerous inquiries just this week alone, and have many tours on the schedule now. So I really encourage everyone to please complete the re-enrollment process as soon as possible. It can be tough to be thinking about next year already, but the timing is very important for our planning processes.

A quick **NEASC accreditation** update – we are making great progress. We have had many meetings over the past several months, and we are now just about ready to submit our responses to the Standards and Indicators for the Foundation portion of our self-study. This part addresses our mission, finances, administration and infrastructure. The next step is our Foundation visit at the end of March. We will then move to the Program portion of our self-study that focuses on curriculum and student experience.

May Your Spirit Be Lifted,

Christopher Smith
Principal

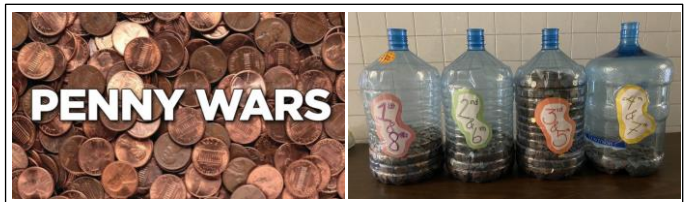

Mr. Smith recently received a few special pictures of SJRS from some of his Preschool friends!
